Amazon Donates 0.5% of the price of your eligible AmazonSmile purchases to the charitable organization of your choice. AmazonSmile is the same Amazon you know. Same products, same prices, same service. Support your charitable organization by starting your shopping at [smile.amazon.com](https://smile.amazon.com)

## How it Works:

Instead of making purchases through Amazon.com or the Amazon app, go to **smile.amazon.com**. If you're an Amazon Prime member, all the same benefits apply through the smile link. When you logon for the first time you will have the ability to choose a charitable organization.

Search for **4619 Canyon Hills Jr High PTSA** and make your selection. That's it! Now when you want to purchase something through Amazon, do so through [smile.amazon.com](https://smile.amazon.com) and our school will get **0.5%** of all eligible purchases donated directly to the school. It's that easy!

On most phones you can also add the **smile.amazon.com** link to your home screen like an app.

### For Android:

1. Go to [www.smile.amazon.com](https://www.smile.amazon.com) in your phone's browser and log into your account.
2. In the phone's menu bar at the top right, select "Add to home screen."
3. A kind of "app" for Amazon Smile will appear on your home screen.

### For iPhone:

Click the icon circled in red, scroll down and select add to homescreen. A clickable logo will appear on your homescreen
